General Pattern Information

You may use this pattern to make as many of the project as you like. You are free to use any technique including mass production to build the project. The pattern may be copied and given to others provided the entire book is kept intact. You may not sell the pattern or include it in another commercial package of any type.

Steve Good retains the right to the pattern. If you have any questions about the use of this pattern please contact me at steve@stevedgood.com

When printing this pattern it is important to print it full size. When you bring up the print dialog box look in the "Page Sizing & Handling" section. Make sure the "Actual Size" is selected before you hit print.

You also only need to print the page/s you need. After the print dialog opens look for the "Pages to Print" section. You can print the current page or a range of pages. This will help save ink by not printing the title/instruction pages.

Valentine Round Box

To make the heart and ribbon we will stack cut two different boards. The lower board will be the heart and is 1/4" Thick. The top board will be the ribbon and is 1/2" Thick.

Sandwich the the two boards together and wrap them with blue painters tape. Apply the pattern with the thicker board on top.

Cut around all the shapes with a #1 blade. We will use parts of each board. Keep the thicker board parts for the ribbon. Keep the thinner board parts for the heart. Everything else is waste.

Contour the edges of the ribbon using a sanding drum or what ever tools you have handy.
Round over the outside edges of the heart pieces.
Glue the pieces together into one piece.

Cut the box parts.

Glue the lid and the rim together. Glue the bottom to the box walls. Clamp and let the glue dry. Install the lid on the box and sand all the pieces flush.

Glue the heart/ribbon to the box top.

Complete with your choice of finish. I used spray lacquer.

**Bottom
1/4" Thick**

**Walls
At least 1" Thick
The thicker you cut this
the deeper the box.**

Lid
1/4" Thick

Rim
1/4" Thick

Stack cut 1/2" thick and 1/4" thick
