

Leldon's Scrollsawing

Thank you for downloading this free pattern! Word art is a simple item to create and can give a powerful when you have completed the project. For this project I chose to use 1/2" maple for Merry and 1/4" mohogany for Christmas. You can use any thickness you would like for this project. The thicker the wood the easier it is for the project to be a shelf sitter. Thinner woods such as the 1/2" would make for a nice wall hanging. The diagram below illustrates the placement of Chritmas. I hope you enjoy creating this project and if you need any help you can contact me at leldonmaxcy@gmail.com.

Thanks,
