Home of Scroll Saw Pattern Printer  
and the Scroll Saw Key Chain Printer

Note to commercial print employees: I give my permission to print as many of this pattern book as your customer requires.

Cut the tree from a 12 inch X 12 inch X 1/4 inch thick sheet of Baltic Birch Plywood.

Cut and glue standoffs to the back of the tree using the guides on the pattern.

Paint the assembly black. Keep the back of the standoffs clear of paint.

Glue the tree to the 12 inch X 12 inch X 1/4 inch thick BB ply backer board.

Optional: Frame with 3/4 inch thick X 1 inch frame. The frame will give a shadowbox effect.
