These bowls are great because they take very little wood to make. They make a good presentation at shows and they are easy to make.

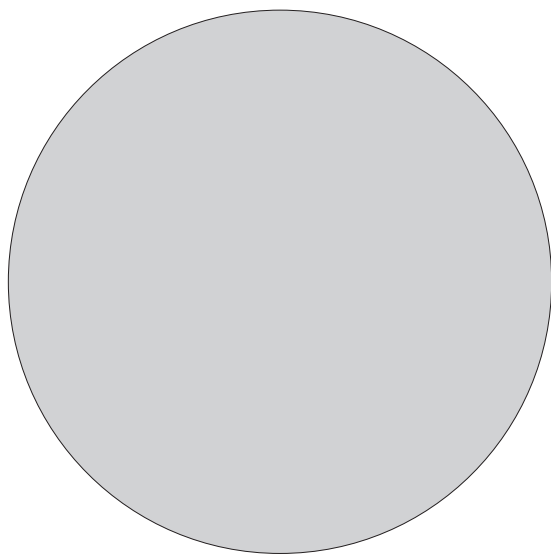

I had a customer buy several of these for gift baskets. She filled the bowl with small gifts and wrapped with clear paper and ribbons. That might make a great presentation at craft shows.

Cut from 3/8 inch wood.

Note the blade entry holes are offset.

Consider cutting the top and bottom from contrasting wood.

Cut from $\frac{3}{8}$ inch wood.
