The object is to create a checkerboard pattern from the puzzle pieces.

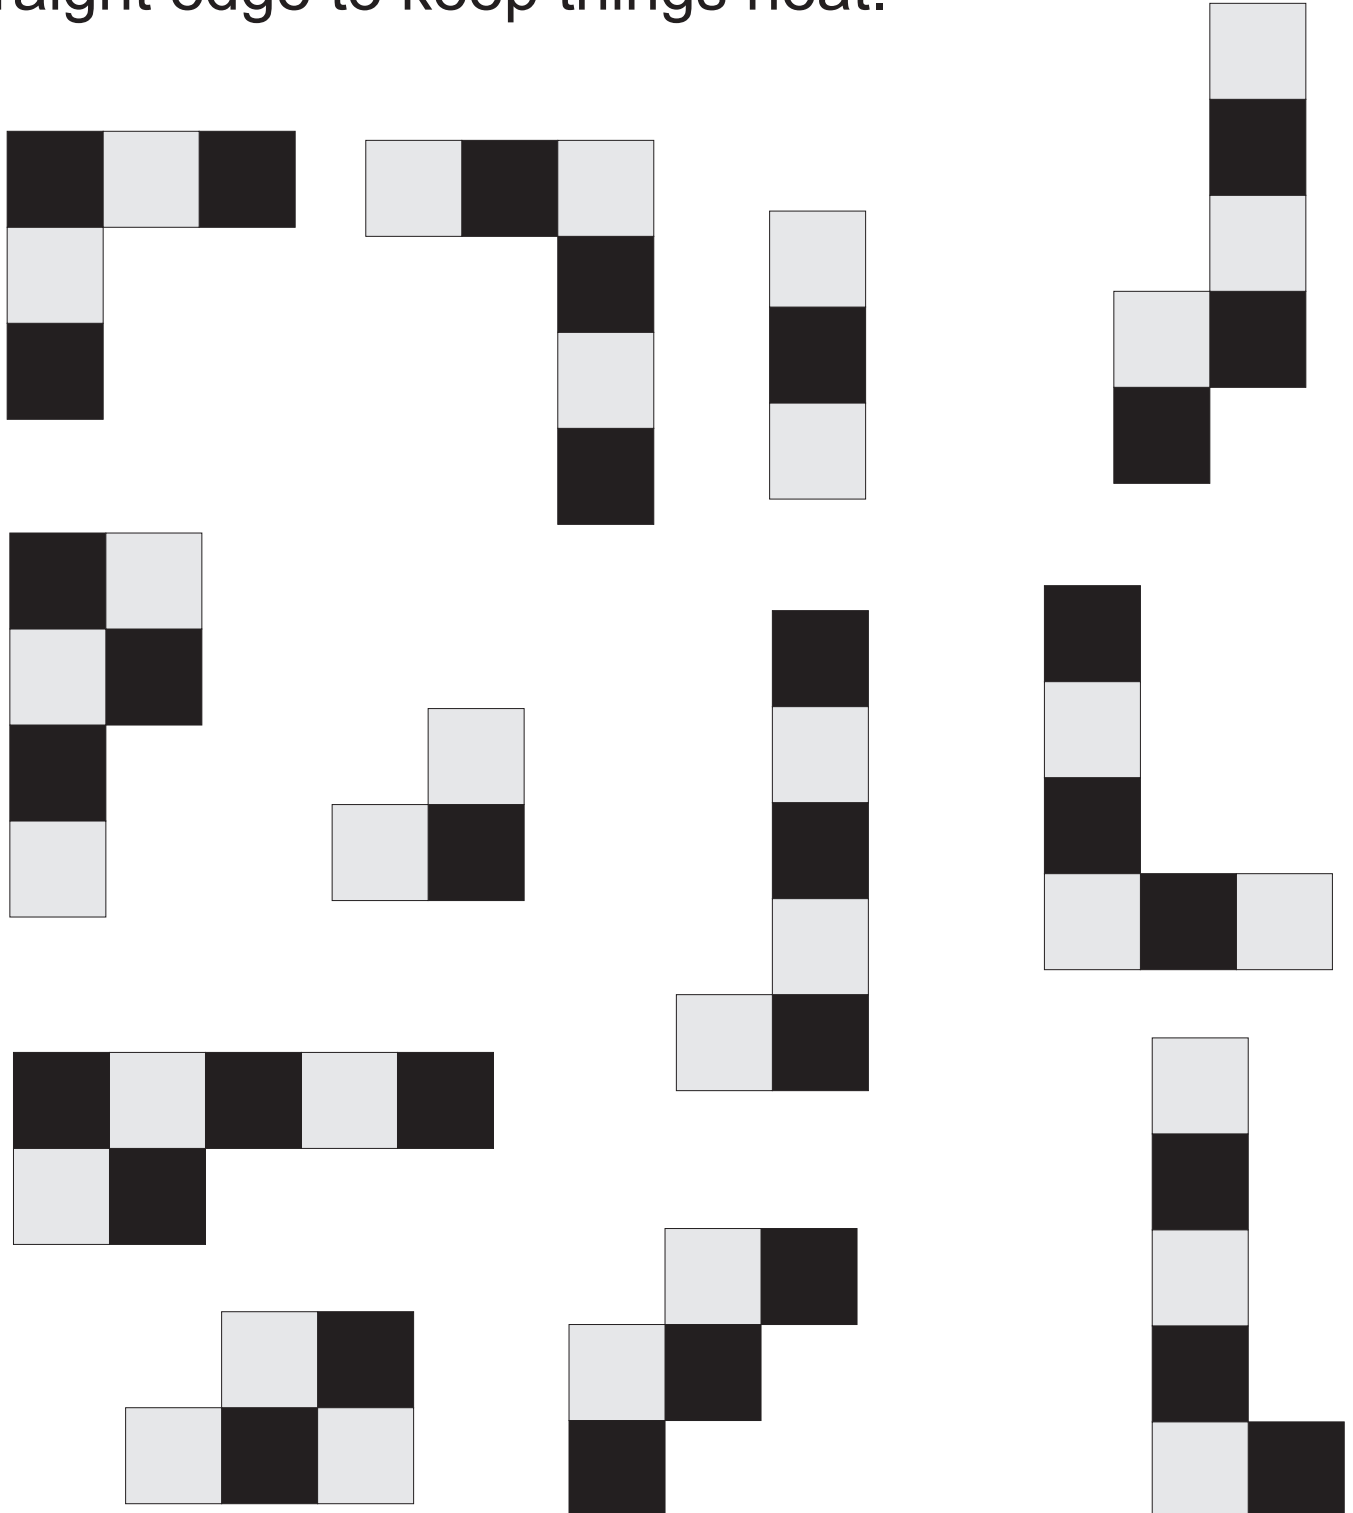

The solution is on the back page so don't peek.

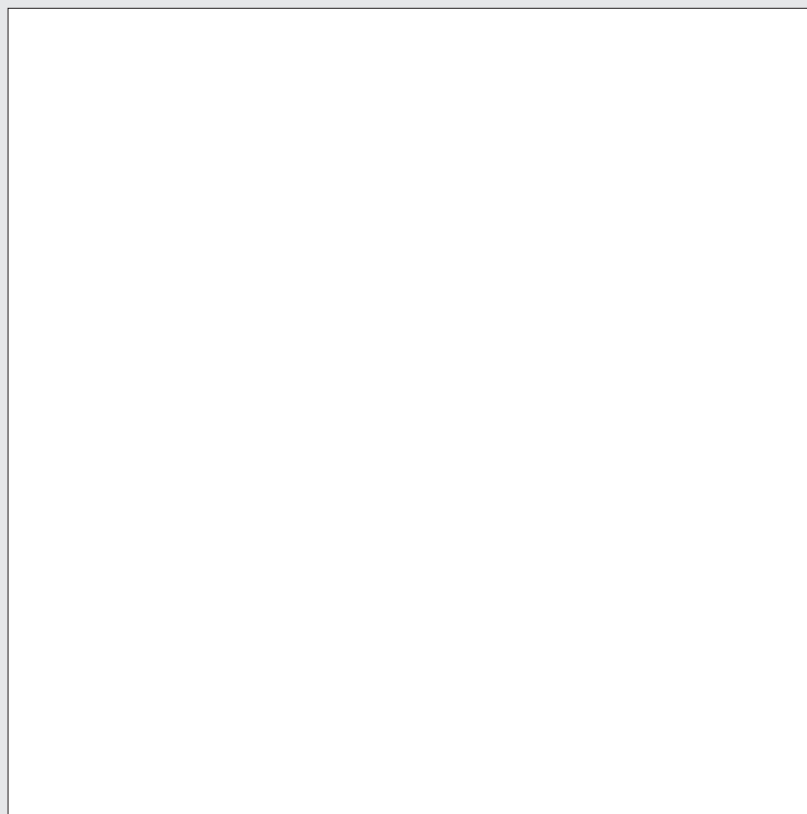

Checkerboard Puzzle

Cut the pieces from 1/4" ply. I used a Sharpie permanent marker to color the black squares. I sprayed all the pieces with a light coat of lacquer before I colored the squares and this helped prevent the ink from bleeding. Use a straight edge to keep things neat.

PUZZLE

1/4" Front

5 1/2" x 6"

Glue the front to the back to make a tray
for the checkerboard puzzle

1/4" Back 5 1/2" x 6"

You Peeked!
