When printing this pattern it is important to print it full size. When you bring up the print dialog box look in the “Page Sizing & Handling” section. Make sure the “Actual Size” is selected before you hit print.

You also only need to print the page/s you need. After the print dialog opens look for the “Pages to Print” section. You can print the current page or a range of pages. This will help save ink by not printing the title/instruction pages.

The image is a promotional banner for Heritage Wood Specialties. At the top left is a circular logo with the letters 'H' and 'W' inside. To its right, the word 'HERITAGE' is written in a large, serif font, with 'WOOD SPECIALTIES' in a smaller font below it. The background of the banner features several pieces of wood, including a prominent scroll saw blank. Overlaid on the wood is the text 'Special Offer' in a large, white, sans-serif font. Below this, in a smaller white font, is 'Free shipping on orders over \$100'. Further down, in a white sans-serif font, is the text 'Nationally recognized seller of quality hardwoods for woodworkers across the US and Canada'. At the bottom, it says 'Check out the beautiful scroll saw blanks.' followed by the website address 'www.heritagewood.com' in a white sans-serif font.
