Small Floral Mantle Clock

This project requires a 2 3/4" clock insert.
I purchased mine at www.woodcraft.com.
Item number # 152926. The hole for the
insert is 2 3/8".

If you have a 2 3/8" forstner bit use it for the clock insert hole. If not just use the scroll saw and slightly undersize the hole. You can sand the hole for a good insert fit.
