General Pattern Information

You may use this pattern to make as many of the project as you like. You are free to use any technique including mass production to build the project. The pattern may be copied and given to others provided the entire book is kept intact. You may not sell the pattern or include it in another commercial package of any type.

Steve Good retains the right to the pattern. If you have any questions about the use of this pattern please contact me at steve@stevedgood.com

When printing this pattern it is important to print it full size. When you bring up the print dialog box look in the “Page Sizing & Handling” section. Make sure the “Actual Size” is selected before you hit print.

You also only need to print the page/s you need. After the print dialog opens look for the “Pages to Print” section. You can print the current page or a range of pages. This will help save ink by not printing the title/instruction pages.

Printing Instructions

Hands

This project is not designed as an intarsia piece. Each piece is separated by a gap. You can do some contouring but the fit of the pieces is not as critical.

This is the assembly guide.
This is not the full size pattern.
The pattern starts on the next page.

D=Dark Wood
L=Light Wood

1/2" Thick

1/4" Thick
Backer board with layout guide.

Cut the black line to make the backer board.
Glue the pieces from the previous page
on to the backer board as indicated with
the red dotted lines.
