General Pattern Information

You may use this pattern to make as many of the project as you like. You are free to use any technique including mass production to build the project. The pattern may be copied and given to others provided the entire book is kept intact. You may not sell the pattern or include it in another commercial package of any type.

Steve Good retains the right to the pattern. If you have any questions about the use of this pattern please contact me at steve@stevedgood.com

When printing this pattern it is important to print it full size. When you bring up the print dialog box look in the “Page Sizing & Handling” section. Make sure the “Actual Size” is selected before you hit print.

You also only need to print the page/s you need. After the print dialog opens look for the “Pages to Print” section. You can print the current page or a range of pages. This will help save ink by not printing the title/instruction pages.

Horse Art Globe

The photo circle should be printed on high-quality photo paper. Carefully cut it out just inside the outer line.

I applied the glue to the back of the cutout wood and applied the photo to the wood. I used spray glue but most paper glues should work fine. You are going to coat the project in a spray acrylic and that will also help hold the photo in place.

Print on high-quality photo paper.
