When printing this pattern it is important to print it full size. When you bring up the print dialog box look in the “Page Sizing & Handling” section. Make sure the “Actual Size” is selected before you hit print.

You also only need to print the page/s you need. After the print dialog opens look for the “Pages to Print” section. You can print the current page or a range of pages. This will help save ink by not printing the title/instruction pages.

Printing Instructions

Reindeer Candle Holder for 3" diameter Candle

If you use a real candle the paper wrap should be removed before candle use.

The paper wrap is cut on the dotted line.

Wrap the paper around the candle and glue it in a loose wrap around the candle. You want to be able to remove the wrap for safety.

Print on matte photo paper. This wrap will fit
a 3" diameter candle.
