Show your support for the troops with this desktop plaque. Cut the plaque from $\frac{1}{2}$ inch material. Place it on a base that has the corners rounded. You could easily stack cut the $\frac{1}{2}$ inch wood to make two at the same time. The base could also be extended two inches to add a pen holder.

The pattern can easily be modified for sawyers from other countries. Have fun and happy scrolling.

Cut from ½ inch material

Create a base about 1 inch longer than plaque and ease the corners.
