# Triangle Puzzle

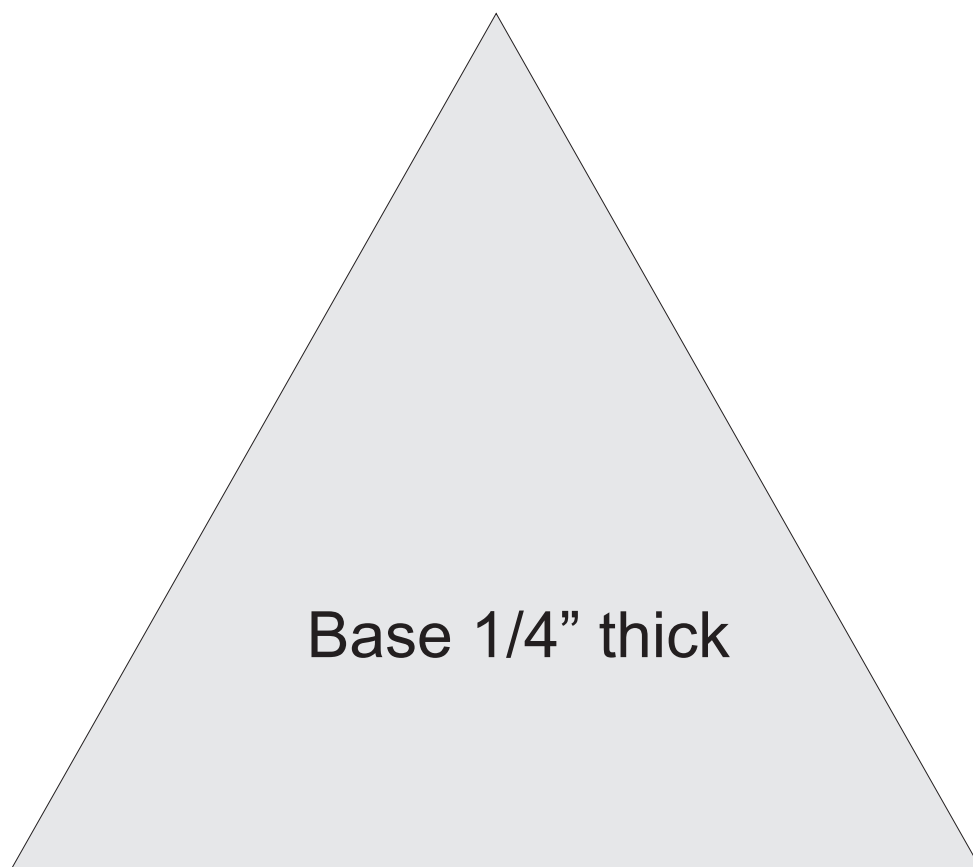

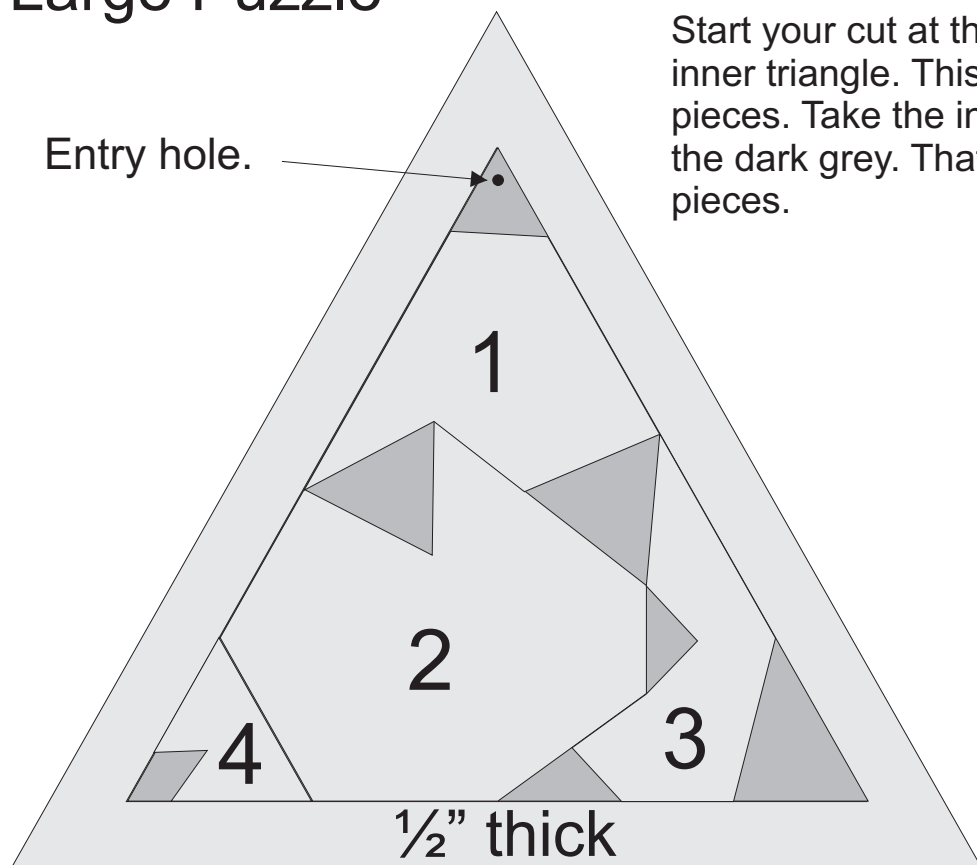

Test you family and friends with this four piece tray puzzle. It looks easy but they will be surprised by the challenge. The goal is to get all four pieces laying in the tray flat.

# Large Puzzle

Entry hole.

Start your cut at the entry hole and cut out the inner triangle. This give you a good fit for the pieces. Take the inner triangle and cut away the dark grey. That will give you the four puzzle pieces.

# Small Puzzle
