When printing this pattern it is important to print it full size. When you bring up the print dialog box look in the “Page Sizing & Handling” section. Make sure the “Actual Size” is selected before you hit print.

You also only need to print the page/s you need. After the print dialog opens look for the “Pages to Print” section. You can print the current page or a range of pages. This will help save ink by not printing the title/instruction pages.

1/2" Thick

3/4" Thick Base

Print on Photo Paper

The clock insert will need to be disassembled to replace the original clock face. Some of the clocks are tack glued and you will have to gently pry them apart. It's fine to use the original clock face if you prefer.
