When printing this pattern it is important to print it full size. When you bring up the print dialog box look in the “Page Sizing & Handling” section. Make sure the “Actual Size” is selected before you hit print.

You also only need to print the page/s you need. After the print dialog opens look for the “Pages to Print” section. You can print the current page or a range of pages. This will help save ink by not printing the title/instruction pages.

A Visit from St. Nicholas

'Twas the night before
Christmas, when all
through the house not a
creature was stirring,
not even a mouse. The
stockings were hung by
the chimney with care,
in hopes that St Nicholas
soon would be there.
