Mini Vase

If you enjoy this small vase then consider buying my Wooden Vases on the Scroll Saw Ebook. You can find it on the blog. There are eight more patterns like this one only larger.

# Wooden Vases on the Scroll Saw

This book is available in digital format.  
Eight Beautiful Designs

Make these beautiful wooden vases on your scroll saw. This book gives you the patterns and instructions necessary to build eight wonderful designs. These are sure to be a hit with family and friends

Make several and sell them at your next arts and crafts fair.

Apply the patterns to the wood blanks.

Drill the interior holes.

Cut all the parts on the scroll saw.

Glue the back of the vase to the center section.

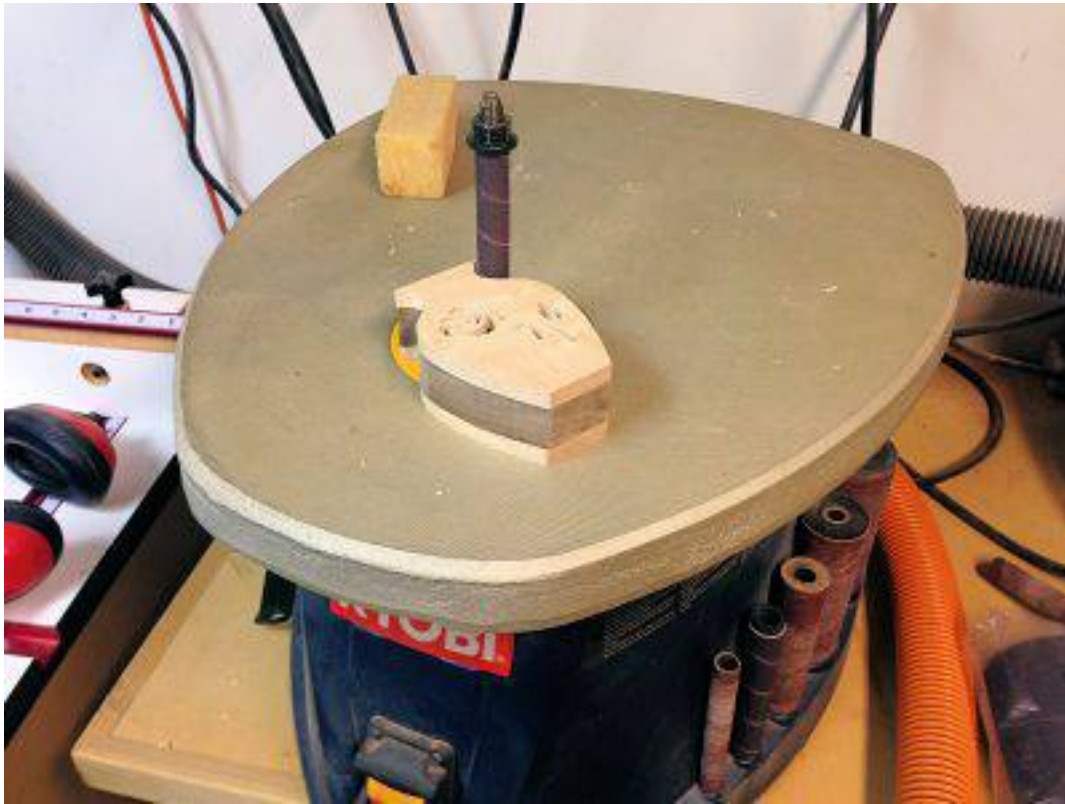

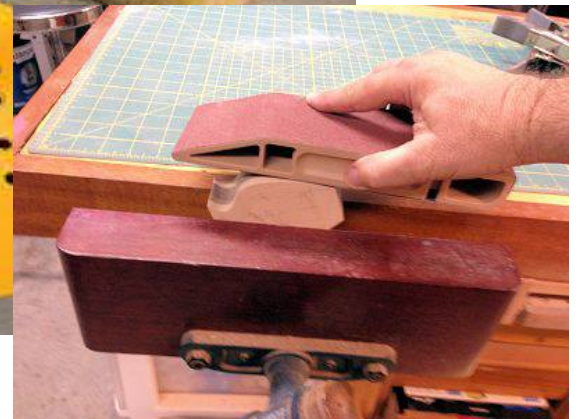

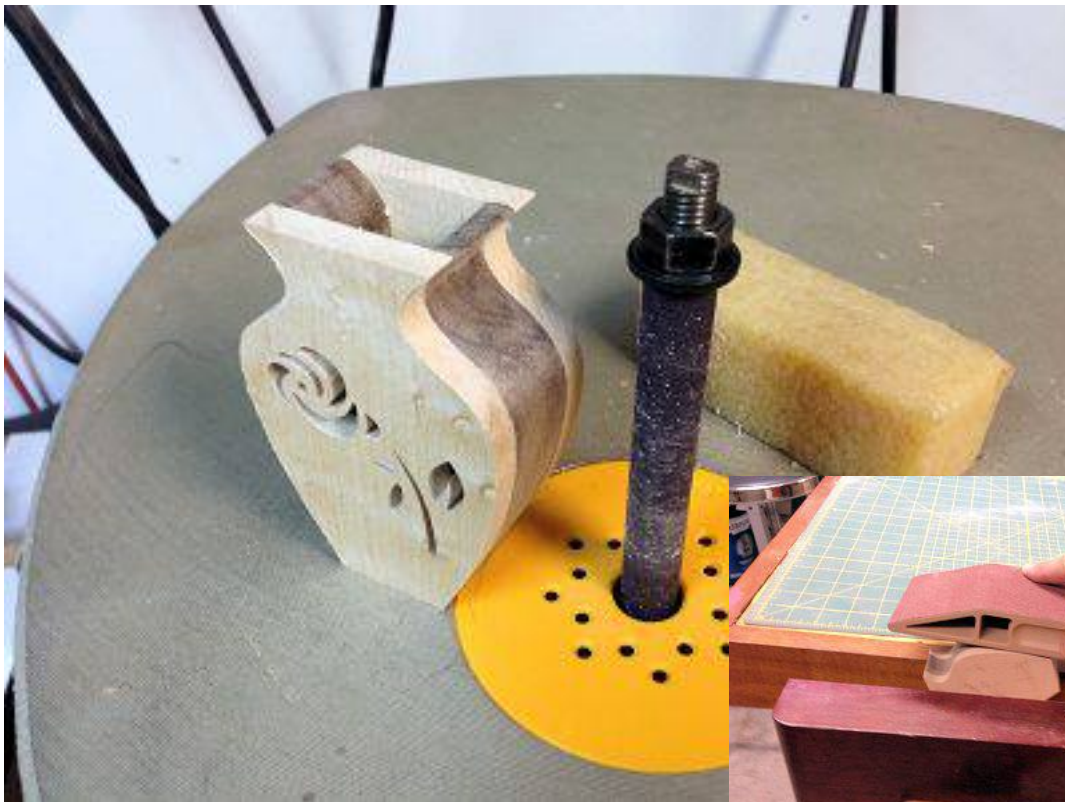

Glue on the front and clamp until the glue dries.

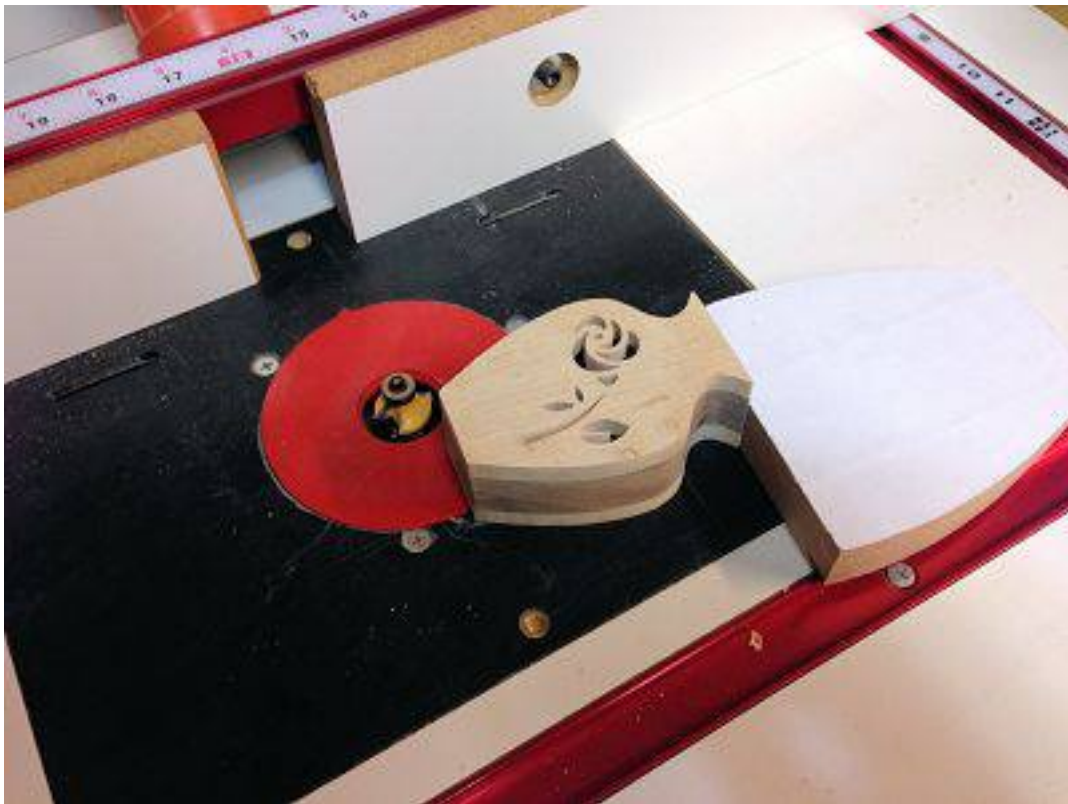

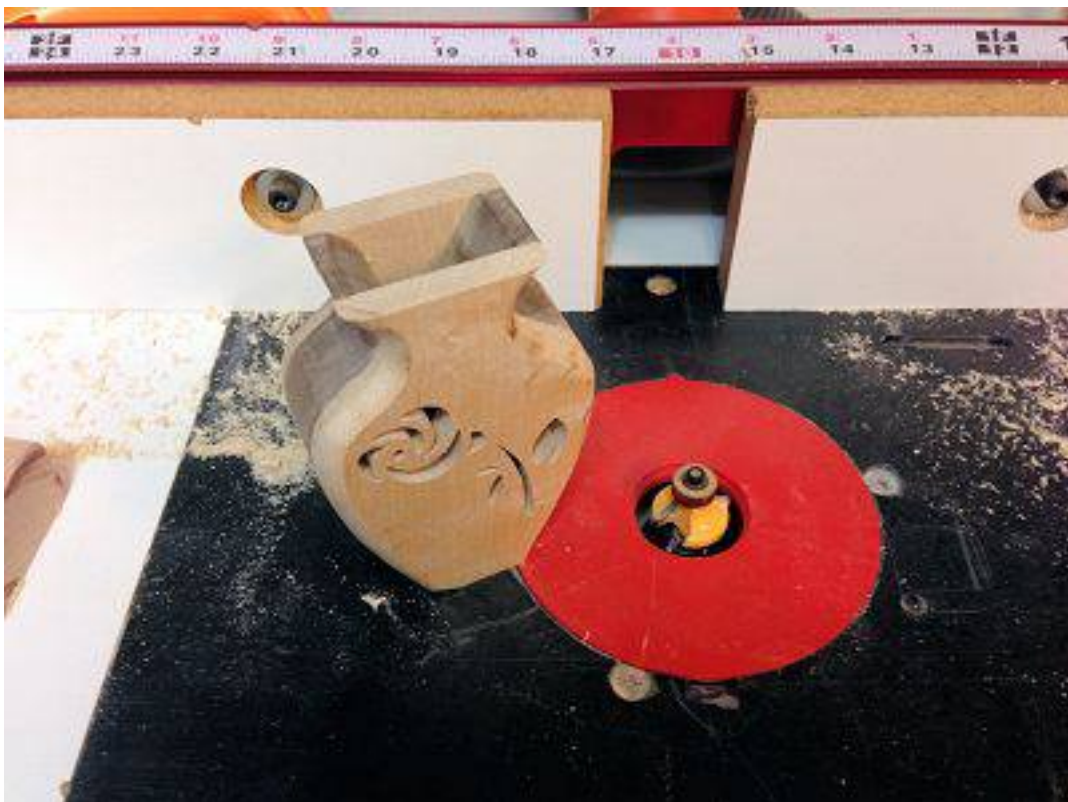

Sand the sides nice and flush.

Route or sand the edges of the vase to round them over.

Finish hand sanding to an smooth finish.

Apply the finish of your choice. I use spray acrylic.
