General Pattern Information

You may use this pattern to make as many of the project as you like. You are free to use any technique including mass production to build the project. The pattern may be copied and given to others provided the entire book is kept intact. You may not sell the pattern or include it in another commercial package of any type.

Steve Good retains the right to the pattern. If you have any questions about the use of this pattern please contact me at steve@stevedgood.com

When printing this pattern it is important to print it full size. When you bring up the print dialog box look in the “Page Sizing & Handling” section. Make sure the “Actual Size” is selected before you hit print.

You also only need to print the page/s you need. After the print dialog opens look for the “Pages to Print” section. You can print the current page or a range of pages. This will help save ink by not printing the title/instruction pages.

Printing Instructions

You can use any light bulb but I used this flame light bulb.

LED Flame Effect Light Bulb: E26 Standard Base
Flame Bulb - Upside Down Effect - 3W - 200 Lumen
Energy Efficient Flickering Fire Lights for
Indoor/Outdoor Use - 1 Pack

You will need a lamp kit. I am not going to recommend a specific model because there are so many. You may have to modify the bottom on the lamp to fit your socket.

Home of the Seyco ST-21 Scroll Saw, Scrollers Drill, and more.

Seyco
The Scroll Saw Specialists, INC.
1-800-462-3353
www.seyco.com

A banner advertisement for Seyco. The background is a light wood grain. On the left is a large, stylized wooden scrollwork ornament. On the right is another similar ornament. In the center, the text 'Seyco' is written in a large, bold, wooden font. Below it, in a smaller, black, sans-serif font, is 'The Scroll Saw Specialists, INC.'. Below that is the phone number '1-800-462-3353' and the website 'www.seyco.com'. To the right of the text are two images: a small, white, handheld scroll saw and a larger, black, table-mounted scroll saw.
