General Pattern Information

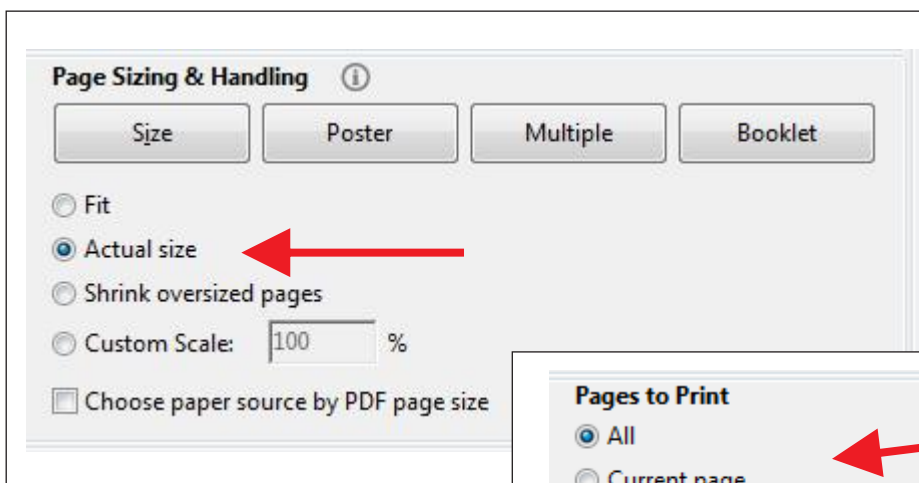

You may use this pattern to make as many of the project as you like. You are free to use any technique including mass production to build the project. The pattern may be copied and given to others provided the entire book is kept intact. You may not sell the pattern or include it in another commercial package of any type.

Steve Good retains the right to the pattern. If you have any questions about the use of this pattern please contact me at steve@stevedgood.com

When printing this pattern it is important to print it full size. When you bring up the print dialog box look in the “Page Sizing & Handling” section. Make sure the “Actual Size” is selected before you hit print.

You also only need to print the page/s you need. After the print dialog opens look for the “Pages to Print” section. You can print the current page or a range of pages. This will help save ink by not printing the title/instruction pages.

Printing Instructions

Football Plaque

This page is for laser cutters only.

This is just an example of using these patterns to make key chains.

I reduced the pattern to under 3" tall and added a ring to the backer board. It would be impractical to cut these on the scroll saw but a laser cutter can manage the small text.

I make sure all the pattern pages in the PDF remain vectors.

This allows you to import the pattern in to a program like Inkscape and make edits. This makes it easy to produce laser files.
