When printing this pattern it is important to print it full size. When you bring up the print dialog box look in the “Page Sizing & Handling” section. Make sure the “Actual Size” is selected before you hit print.

You also only need to print the page/s you need. After the print dialog opens look for the “Pages to Print” section. You can print the current page or a range of pages. This will help save ink by not printing the title/instruction pages.

## Printing Instructions

Little Pink Pony

I included a poem that you can print and use.  
It is on the last page.

**In a land full of giggles and peppermint  
air, Lived a pink little pony with ribbons  
in hair. She zipped and she zapped  
through the blueberry trees, Wearing  
striped socks that came up to her knees!  
She bounced over bubbles, she skipped  
over snails, She painted the rainbows  
with jellybean trails! She'd giggle and  
wiggle and shout with delight,"I'm the  
pinkest, the plinkest, from morning to  
night!" So if you hear laughter that rings  
like a chime,It might be that pony just  
having a time!**
